

VANDAL RESISTANT FEMININE HYGIENE UNIT

Enviro-LCS™ has developed a safe vandal-resistant feminine hygiene unit that sets a new environmental standard in the industry and for hygiene services. It comprises a standard Feminine Hygiene Unit that is robust, vandal and fire resistant that it can also be Secured. It is custom-made in Australia exclusively by Enviro-LCS™ to Australian design and hygiene specifications using stainless steel checker plate making it fire resistant. It is a secured unit, as it can be bolted or chained, making it an ideal unit for remote locations such as parks, beaches, ovals, public toilets, etc. At each service the unit is fully sterilized and Sanisorb® is added, a natural (chemical free) waste treatment and odour eliminator (see Sanisorb® brochure). Each unit also comes complete with a safe how to use label.

OPTIONS: Fully serviced.

SERVICE FREQUENCIES AVAILABLE:

Bi-weekly, weekly, fortnightly, three weekly, monthly, six weekly. All services include Touchprobe™ attendance verification and computer scheduling (see Touchprobe™ brochure).

OTHER RECOMMENDED PRODUCTS AND SERVICES: Airfresh units, tampon and napkin vending machines.
